

Who We Are:

Established in 1953 as a volunteer membership association, SITE is committed to sharing knowledge and resources through collaboration within the insurance industry by providing continuous learning and professional development, supporting training and education as a process to achieve business results, and by promoting professionalism and integrity.

How to Join:

Go to www.insurancetrainers.org and click on "Join SITE Now." Questions can be directed to Melissa Palank, Executive Director at ed@insurancetrainers.org.

IMPROVING RESULTS THROUGH LEARNING

Join us on LinkedIn, Facebook, and Twitter, all enabling you to network with members with a particular expertise, a common interest, or geographic location for the purpose of improving performance and building industry relationships

InSITE SITE's bi-monthly online newsletter filled with information on training, insurance, and SITE activities.

Insurance Training Professional (ITP) This designation recognizes individual excellence and professionalism in training and education in the insurance industry.

Train-the-Trainer The only program of this kind specifically designed for insurance professionals. TTT provides practical applications of adult learning theory for designing and facilitating training.

Annual Conference Join us each year to hear, see and participate in up to the minute sessions provided by world renowned professionals in training and development.

Webinars & Socials Join us for a variety of webinars and social gatherings (almost all are free to SITE members).

Insurance Designations Handbook A compilation of almost 200 insurance industry designations along with sponsoring organizations and qualifications for obtaining the designations.

Solution Provider's Guide An annual list of vendor resources available to meet many of your outsourcing needs.

Job Bank Gain access to a variety of job openings throughout the Industry, posted by both member and non-member firms.
